OTAMENDI 2025 BREEDING CONTRACT

This contract is made _____ (day/month) of 20____ between Ashland Farm and _____, **Purchaser**, for the breeding of the Mare named _____, to the KWPN stallion **Otamendi KWPN** Registration # 528003201910596. Live Foal Guarantee breeding fee for the above-named stallion, is \$1,850.00 CND (+HST for Canadian clients).

Mare Information:

Mare's Name: _____ Date of Birth: _____

Breed & Registration number: _____

Sire: _____, Dam: _____

This mare is booked by name and the booking is valid to this mare only. Neither booking nor the return privilege can be transferred without written permission from the stallion owner.

The Mare's health condition is the responsibility of the Purchaser. The Purchaser will ensure that the mare is in sound breeding condition. We recommend that purchaser's vet examine and assess your mare's breeding soundness, and your mare should have a negative uterine culture prior to breeding. We expect you to follow your veterinarian's recommendation.

The Booking fee of \$400.00 CND (+HST for Canadian clients) fee is due **at the time of contract signing**. The booking fee includes the first collection, but not shipping or container fees. The balance of the breeding fee of \$1,450.00 CND (+HST for Canadian clients) is due September 15th, 2025, **if the mare is in foal**. If the mare is not in foal, and the mare owner wishes to try again in 2026, the Booking Fee will be due again. The balance of the breeding fee will not be payable until the mare is in foal.

We strongly recommend that the above-named mare be checked for pregnancy and ultrasounded by a veterinarian 14-17 days post breeding. If, after two shipments, the mare is not found to be in foal it is **HIGHLY RECOMENDED** that the mare be swabbed prior to further breedings.

2025 Breeding Contract Continued

The Booking fee includes the first collection but does not include any shipping or container fees. A Collection fee of \$300.00 CND (+HST for Canadian clients) per collection will be charged for each additional collection needed within the same breeding season and must be paid prior each additional shipment of semen. The Purchaser is solely responsible for all shipping & container fees. Equitainers are available on a first-come first-serve basis and can be used upon request.

Ashland Farm agrees to provide fresh cooled semen from **Otamendi** in viable condition, at the time of collection, to the shipping address provided on the Semen Request Form.

The stallion owner is not responsible for any semen shipments that are lost, delayed or damaged during transport. This semen must be administered by a licensed veterinarian or by a breeding technician approved by Ashland Farm, on the day of delivery, or the LFG and the contractual obligations may not apply.

The Purchaser assumes all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare whatsoever by death, disease, injury, infection or otherwise, and by any cause whatever, including inappropriate, untimely, or negligent insemination or failure of insemination and therefore releases, discharges, indemnifies and hold harmless Ashland Farm and its owners, its employees and agents from any and all damages associated therewith.

The Purchaser agrees that no embryo transplants from the above-named mare using semen from an Ashland Farm stallion are to be done without the prior written permission of Ashland Farm.

If the mare fails to conceive during the 2025 season the Purchaser is entitled to use the breeding in the following **two (2026 & 2027)** seasons. Purchaser must inform Ashland Farm by no later than September 15th, 2025, as to whether the mare is in foal or not. This information must be sent to Ashland Farm, so that the Live Foal Guarantee (LFG) and return breeding will be honored. It will be the Purchaser's responsibility to pay the new seasons booking (incl. first collection) of \$400.00 CND (+HST for Canadian clients) additional collections (if applicable), shipping and container fees.

Live Foal Guarantee: If the mare, after being checked in foal, aborts or does not produce a live foal that can stand and nurse on its own, and survive 30 days after birth, the Purchaser is entitled to a return breeding in the following TWO years (2026 & 27). It will be the Purchaser's responsibility to pay the new season's booking, collection (if applicable) and shipping fees. A veterinary certificate is required within five (5) days from the date of death or examination. Otherwise, the LFG is Null and void.

It is agreed that should the stallion be sold, die or be unable to produce viable semen. Ashland Farm will substitute frozen semen from the above-named stallion if available or fresh semen from another Ashland Farm stallion of the mare owner's choice. The maximum time limit on this contract is two (2) years.
